

Coronavirus Stay Connected

In response to the coronavirus pandemic and its impact on society, multiple Internet Service Providers have made updates to their low-cost internet service programs to ensure individuals and families stay connected to the internet during this challenging time.

Families In Schools recommends taking a look at the **California Technology Fund's Get Connected** <https://bit.ly/2wH7Ysb> internet service options tool. If you visit the site, you can enter your zip code, and it will list internet service providers in your area. You can then call the companies to ask about their low-cost home internet options. Some providers are offering 60 days of free service.

Home Internet

You may qualify for affordable, Home Internet if you are participating in one of the following programs:

Child Enrolled in the NSLP (National School Lunch Program)
